GitHub account

The screenshot shows a web browser window with multiple tabs. The active tab is the GitHub profile page for user 'brad629'. The browser's address bar shows the URL 'https://github.com/brad629'. A pink warning banner at the top of the page states: 'The password you provided is weak and can be easily guessed. To increase your security, please change your password as soon as possible. Read our documentation on safer password practices.'

The profile page features a large blue GitHub logo placeholder for a profile picture. Below it, the username 'brad629' is displayed, along with a 'Set your status' button and an 'Edit' button. A 'ProTip!' message suggests updating the profile with name, location, and a picture.

The 'Overview' tab is selected, showing a grid of 'Popular repositories'. The repositories listed are:

- database-management-hw-1** (home work :1)
- SQL_PHP_project** (PHP website, PHP)
- League-database**
- Python**
- MIPS-assembler**
- HuntingtonCaravan-androidstudio** (Game design project, Java)

Below the repositories, a section titled '0 contributions in the last year' shows a calendar grid for the year 2019. The grid is empty, indicating no contributions were recorded. A 'Contribution settings' dropdown is visible to the right of the calendar.

The Windows taskbar at the bottom shows the system clock as 2:51 PM on 1/27/2019.

GitHub class repository

The screenshot shows a web browser window with multiple tabs. The active tab is the GitHub repository page for `brad629/mscs630Huntington`. The page header includes a search bar and navigation links like 'Pull requests', 'Issues', 'Marketplace', and 'Explore'. A pink banner at the top contains a warning: 'The password you provided is weak and can be easily guessed. To increase your security, please change your password as soon as possible.' Below this, the repository name is displayed with statistics: 1 commit, 1 branch, 0 releases, and 1 contributor. A 'Clone or download' button is visible. A modal is open, showing the 'Clone with HTTPS' option and the URL: `https://github.com/brad629/mscs630Huntington.git`. The repository description is 'No description, website, or topics provided.' The footer shows the GitHub logo and copyright information for 2019.

Github class HTTPS Link
